71 Gohebiaeth

71.01 Diweddariad EV

Cafwyd yr ymateb canlynol gan yr swyddog;

Oherwydd y costau uchel sy'n gysylltiedig â chyflenwad trydan, gwaith sifil, llafur, a deunyddiau, bydd y model gosod yn gofyn am o leiaf ddwy bost gwefru. Bydd y broses yn symud i'r cam arolygu yn gyntaf, ac yna bydd lluniau'n cael eu paratoi, cyn i unrhyw waith tir ddechrau.

Sylwch fod y seilwaith gwefru EV hwn ar draws Ceredigion wedi'i fwriadu ar gyfer gwefru ar y stryd i breswylwyr am gyfnodau hirach. Nid yw wedi'i gynllunio ar gyfer defnydd busnes, yn unol â chyflwr y grant.

Ar ôl trafodaethau yn ystod cyfarfod diweddar y Cyngor Cymuned, cytunwyd i gysylltu â'r swyddog i'w hysbysu nad oedd y Cyngor Cymuned yn cytuno â'r cynnig i osod gwefrwyr EV yn y lleoliad a nodwyd am y rhesymau canlynol;
• Colled parcio i drigolion
• Colled darpariaeth Swyddog Post sy'n wasanaeth hanfodol i Groes Inn
• Colled darpariaeth banc Natwest sy'n wasanaeth hanfodol i Groes Inn.

Roedd y cynghorwyr am ailadrodd eu bod yn cefnogi'r cynllun yn egwyddor ond nad oedd y lleoliad a nodwyd yn addas.

71.02 Awdit 2024-2025

Roedd y Clerc wedi derbyn barn archwilio yn ôl ac nid oedd wedi ei gymhwyso oherwydd diffyg esboniad ar gyfer amrywiadau.

73 Materion i'w adrodd ar agenda cyfarfod nesaf

71 Correspondence

71.01 EV charging – update

The following response was received from the officer;

Due to the high costs associated with electrical supply, civil works, labour, and materials, the installation model will require a minimum of two charge posts. The process will move to the survey stage first, followed by the preparation of drawings, before any ground works commence.

Please note that this EV charging infrastructure across Ceredigion is intended for residential on-street charging for longer periods. It is not designed for business use, in line with the grant conditions.

Following discussions during the Council meeting it was agreed to contact the officer to inform him the Community Council did not agree with the proposal of putting EV charges at the location identified for the following reasons;

- Loss of parking for residents
- Loss of Post Officer provison which is a vital service for Cross Inn
- Loss of Natwest bank provision which is a vital service for Cross Inn.

Councillors wished to re-iterate that they were supportive of the scheme in principal but the location identified was not suitable.

71.02 Audit 2024-2025

The Clerk had received the audit opinion back and it was unqualified due to lack of explanation for variances.

70.03 Email from Ceredigion Council Code of Conduct for Members

Noted.

70.04 One Voice Wales - What you need to know about Community Boundary Reviews

A number of webinars are being held for those affected by the boundary reviews. Clerk has shared the email with information with Councillors.
